You have successfully completed the first step to apply for a film permit. Now that our office has received your request, we need a copy of your current **Student Letter** and **Student ID** to start the permitting process. Please reply to this email with a copy of both required documents to avoid coordination delays.

Once we received the documents, you will receive a system-generated message to let you know that your permit application has been assigned to a Student Coordinator for processing and a permit number.

Should you have any questions regarding your permit application, we encourage you to contact your coordinator at any time during FilmL.A. Business hours.
